

Textile Engineering, Chemistry & Science Department  
**Lab Safety Training Verification Form**

Lab Safety Training completion is REQUIRED prior to working in a lab.  
Safety workshops are offered in the fall and anyone starting in fall MUST attend the workshops.  
Videos are available for all other times and MUST be watched in 3249 while completing associated worksheets. Please contact the TECS Executive Assistant to schedule viewing times.

### 1. Employee / Student Certification

Name	
Email	

Session	Attended Seminar	Watched Video	Date Completed
Safety from the NC State Perspective <a href="http://go.ncsu.edu/ncsusafetyperspectives">http://go.ncsu.edu/ncsusafetyperspectives</a> (1 hr video)			_____
TECS Safety Training Workshop <a href="http://go.ncsu.edu/tecssafetyworkshop">http://go.ncsu.edu/tecssafetyworkshop</a> (3 hr video)			_____
General Fire Safety Seminar <a href="http://go.ncsu.edu/firesafetyworkshop">http://go.ncsu.edu/firesafetyworkshop</a> (1 hr video)			_____

I have completed Lab Safety Training as required by the College of Textiles and the Department of Textile Engineering, Chemistry & Science and I understand my commitment to safety at NC State University.

CERTIFICATION: \_\_\_\_\_  
Signature of Employee / Student Date

### 2. Department Certification

I verify that this employee / student has completed Lab Safety Training as required by the College of Textiles and the Department of Textile Engineering, Chemistry & Science.

CERTIFICATION: \_\_\_\_\_  
Signature of TECS Executive Assistant Date
