The signature of the **Principal Investigator** authorizes the Microscopy Teaching Lab to charge the **FAS / IDT Account** an amount up to the **Maximum Amount Authorized** for use of the Phenom scanning electron microscope and sputter coater, as well as consumables provided to the **Authorized User**. Charges will only be for use of the instruments or for consumables used. Use will be charged at the current applicable facilities use rate and consumables will be charged at a rate that covers the cost of providing the consumables.

In the event of instrument damage caused by this user, the PI will hereby accept financial responsibility in the full amount for repairs.

Failure to provide a **Maximum Amount Authorized** implies that no limit has been set by the **Principal Investigator** on services or consumables that may be purchased from the Microscopy Teaching Lab by the **Authorized User**.

A one hour minimum charge will be assessed for all instrumentation use time and training time. Failure to adhere to the rules will result in loss of access to the instruments.
